PROJECT TITLE	SA	SH

226-94 야당동

한글대주신

A schematic diagram of a vertical bar assembly. It shows a central vertical bar with several circular cross-sections representing reinforcement. At the top, two horizontal bars are shown, labeled "END BAR". A dimension line on the left indicates the length of the end bar section as L_{pt} . A label "VERTICAL BAR" points to one of the circular cross-sections on the central bar.

A diagram showing a horizontal bar with several vertical bars attached to it. The horizontal bar is labeled 'HORIZONTAL BAR'. The vertical bars are labeled 'VERTICAL BAR'. The end of the horizontal bar is labeled 'END BAR'.

「별도의 표기가 없는 백치의 배근은 TYPE "A"를 적용함.」
